ACCOMMODATION ARRANGEMENTS

The International Office supports students in finding suitable accommodation (according to their budgets).

Here are some hints about costs of housing in Naples:

Shared flats: single room from 350 euro per month double room from 250 euro per person /per month.

Residence: single room from 570 euro per month double room from 390 euro per person/per month.

The School suggests the students should live in a recommended residence at first and later choose the permanent housing. The School helps students in understanding the rental contract. International Students should estimate a budget of euro 500/700 per month to cover the general cost of living
